

Block-By-Block Investment Program
City of Hutchinson and Hutchinson Recreation Commission
Application

Name of Resident Completing Application: _____

Address: _____

Phone Number: _____ E-Mail Address: _____

Please complete the chart of participating residents:

Name of Resident	Address	Phone Number	Proposed Project	Cost

Are any of the addresses rental property or not owned by applicant? If yes please indicate the address and provide landlord or owner contact information:

Please describe the density of the project: How many projects will be done, how many of the projects share property lines (properties that are across the street from each other count) Include a hand drawn map, a google map, or a parcel map that shows the density of the projects.

Please describe how these projects will promote any or all the following.

- Inspire neighbors to enjoy healthy living.
- Strengthen community spirit and pride in your neighborhood.
- Improve the marketability of the neighborhood, making it a more attractive place for residents and newcomers.

How will these proposed investments demonstrate a commitment to cultivating strong communications between neighbors and a shared sense of identity so that momentum can grow and will be carried forward.

- A. Demonstrated communication between neighbors (Facebook group/page, Text or phone tree, email list. Etc.)
- B. Demonstrated sense of neighborhood identity – Is there a sense of community and identity within your proposed work area.
- C. Past, Present, and future group activities that demonstrate neighborhood building.
